

PRESIDENT'S MESSAGE FOR MAY, 2022

1. Thanks to all who have and are supporting us. It has been difficult with the opening and closing depending on the numbers of Covid.
2. We are trying to think of new things for the summer to get people out. If you have any suggestions, please let us know. We have some sign-up sheets for different card games etc. Summer is difficult but it is cooler in here.
3. We will continue bingo through the summer on Fridays as always. We are contemplating Wed. afternoon as well but it will depend on volunteers to help. It has been hard with our volunteers getting sick at differing times and we are short-staffed. Jerry Hadley is back to call and Jerry Findlay had to leave for the farm earlier than anticipated. Dora will continue and hopefully Glenda moving from Ontario will call as well. Tom is off at present. Some teaching will need to be done for callers re setting up the machine and taking it down. It is a work in progress.
4. The dance has restarted as well on Saturday at 1000am. It hasn't been well attended yet but more advertising will help hopefully. Thanks to the band and those dancers attending. Pool is also again on Sat. am with the dance.
5. We are planning a music bingo Wed. June 8 at 5pm. It is fun! We will have a night with Russ, probably chili and or chili dogs, wine and beer. There will be tickets and hope to get a large crowd. We will need some volunteers for this as well. Please help us out!
6. We are mulling over a tail-gate party or/and food truck party. Any thoughts?
7. I am leaving the masks and vaccine cards in place with the numbers of Covid increasing greatly this past week or so. More people are in hospital. Thankfully, most are not super ill but some are. Please wear your masks in stores for your own safety. I noticed this week more people suddenly have them on than last week.
8. Keep Fit is finished for the summer. Cards will continue and increase, I hope.
9. Have a happy Mothers day next Sunday. Treat your mother's well.
10. Please stay safe.
